Report summary and status for pending enforcement actions, permit conditions, Division Orders, and amendments:

The only permit condition currently in place is that the permittee must submit all water monitoring data in an electronic format to the Division's web site.

Task # 2825 has been approved by the Division. The task was a new as-constructed surface facilities map.

Very little activity at the mine site since the mine was idled and employees laid off.

Inspector's Signature: _____
