

EVENT VIOLATION INSPECTOR'S STATEMENT

Company/Mine: Andalex Resources, Inc/Centennial Project
Permit #: C/007/019

NOV # 10030
Violation # 1 of 1

A. SERIOUSNESS

1. What type of event is applicable to the regulation cited? Refer to the DOGM reference list of event below and remember that **the event is NOT the same as the violation.** Mark and explain each event.

- a. Activity outside the approved permit area.
- b. Injury to the public (public safety).
- c. Damage to property.
- d. Conducting activities without appropriate approvals.
- e. Environmental harm.
- f. Water pollution.
- g. Loss of reclamation/revegetation potential.
- h. Reduced establishment, diverse and effective vegetative cover.
- i. No event occurred as a result of the violation.
- j. Other.

Explanation: The operator/permittee constructed a guard shack without Division approval. The guard shack was observed on the 10/28/2008 complete inspection and no permit amendment had been submitted and/or approved.

2. Has the even occurred? Yes

If yes, describe it. If no, what would cause it to occur and what is the probability of the event(s) occurring? (None, Unlikely, Likely).

Explanation: Guard shack built without approval from the Division.

3. Did any damage occur as a result of the violation? No

If yes, describe the duration and extent of the damage or impact. How much damage may have occurred if the violation had not bee discovered by a DOGM inspector? Describe this potential damage and whether or not it would extend off the disturbed and/or permit area.

Explanation: _____

B. DEGREE OF FAULT (Check the statements which apply to the violation and discuss).

- Was the violation not the fault of the operator (due to vandalism or an act of God), explain. Remember that the permittee is considered responsible for the actions of all persons working on the mine site.

Explanation: _____

- Was the violation the result of not knowing about DOGM regulations, indifference to DOGM regulations or the result of lack of reasonable care.

Explanation: Indifference, the operator is aware of the requirements to submit and receive approval from the Division prior to constructing new facilities.

- If the actual or potential environmental harm or harm to the public should have been evident to a careful operator, describe the situation and what, if anything, the operator did to correct it prior to being cited.

Explanation: _____

- Was the operator in violation of a specific permit condition?

Explanation: Yes, any permit change needs to be reviewed and approved by the Division.

- Has DOGM or OSM cited the violation in the past? If so, give the dates and the type of warning or enforcement action taken.

Explanation: Yes, citation 10002 was issued on 10/06/2006 for starting construction of a new ventilation fan with out Division approval.**C. GOOD FAITH**

1. In order to receive good faith for compliance with an NOV or CO, the violation must have been abated before the abatement deadline. If you think this applies, describe how rapid compliance was achieved (give date) and describe the measures the operator took to comply as rapidly as possible.

Explanation: _____

2. Explain whether or not the operator had the necessary resources on site to achieve compliance.

Explanation: _____

3. Was the submission of plans prior to physical activity required by this NOV / CO? Yes If yes, explain.

Explanation: Yes, the surface facilities map needs to be updated and the bond amount adjusted to reflect this change. The abatement requires submission and approval from the Division and/or removal of the guard shack.
