In accordance with the provisions of the Utah Coal Mining and Reclamation Act, Utah Code Ann. § 40-10-1 et. seq. (Act), the above referenced Citation is:

Modified as follows:

Reason for modification:

Terminated because:
 Permittee has undertaken ongoing contemporaneous reclamation activities to include: noxious weed removal, well pad footprint reductions, surface grading and roughening for erosion control, restoring approximate original contour, and repairing drainage controls. The time line for completion of remaining reclamation work on individual well pad sites, will likely be completed in spring/summer 2012 when the climate conditions allow favorable access to the project area. This work will be completed in accordance with the contemporaneous reclamation requirement found in Appendix X of the approved Mining and Reclamation Plan.

Vacated because:
