All,

Mildred Cave came to the Price Field Office this morning to let us know that the Centennial surface owner agreement has expired (App. X, Attach. 4-2) and she will be signing a new agreement with Dave Hibbs. She was wondering about reclamation of well sites GVH 10, GVH 11, GVH 12, GVH 13, GVH 14, GVH 7 & 7A, GVH 3 and the OSO Gas Well Pad (which is not in the permit area, see Figure 1-1). She asked to be included on a site visit to the pads to discuss reclamation this year.
