Hello Karin,

Just a reminder. The Centennial permit is due to expire on January 4, 2017. Pursuant to R645-300-131.112, the permit renewal application is required to be submitted 120 days prior to expiration, which would be September 6, 2016 for the Centennial Mine C/007/0019.

Please submit your permit renewal application by September 6, 2016.

Thank you
