Dear Ms. Grubaugh-Littig:

A cursory review of the Permit Application Package for the Blue Blaze Mine revealed numerous deficiencies. A list of these deficiencies will go out under separate cover and will be forwarded to you. We are working directly with the company to resolve these so we can finish processing this application as quickly as possible.

If you have any questions, please contact Brent Northrup (259-6111) or Steve Falk (637-4584) of the Price Coal Office.

Sincerely yours,

William C. Stinger
