Re: Permit Stipulations, Blue Blaze Coal Company, Blue Blaze Mine,
PRO/007/020, Folder #2, Carbon County, Utah

Dear Mr. Skaggs:

The Division has reviewed the stipulations that were submitted to the Division by Earthfax Engineering for the Blue Blaze Mine on July 31, 1992. These stipulations were addressed in a format that addressed the stipulations as a direct response to the stipulations, rather than information formatted for inclusion in the plan.

Stipulations must be submitted for inclusion in the plan and will be evaluated on their merits at that time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Pamela Grubaugh-Littig'.

Pamela Grubaugh-Littig
Permit Supervisor
