Re: Certificate of Insurance, Blue Blaze Coal Company, Blue Blaze Mine,  
PRO/007/020, Folder #4, Carbon County, Utah

Dear Mr. Skaggs:

The Division is in receipt of the Certificate of Insurance for the Blue Blaze Coal Company, fax received January 12, 1993 from Earthfax Engineering. The Certificate noted that a General Liability policy is held for the Blue Blaze Mine in the amount of \$1,000,000 from the period of 1/6/94 to 1/6/95.

There are several deficiencies in the policy:

- 1) It must be noted that the coverage includes explosives, ICU coverage,
- 2) In the event of cancellation of the policy or policies by the company, forty five (45) days' written notice of such cancellation will be given to the Division, and
- 3) The description of the policy must be described for the "Blue Blaze Coal Mine".

Please respond to these deficiencies. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Pamela Grubaugh-Littig".
