Subject: Submittal of 3 Copies of Data to Complete Horizon Coal Corporation March  
1996 Permit Document

Dear Sharon,

*PRO/007/020 #2*

Enclosed please find Plates 3-2 and 3-7A, the cut and fill calculations (Table 3-1 and 3-1A),  
and Appendix 3-7 containing the revised bond estimate.

We are still waiting for lab coal data from the lab concerning acid-toxic and moisture content,  
we will include this information as soon as we receive it.

In our submittal letter we said that Plate 7-8 was missing, however since that time. We have  
eliminated 7-8 and referenced another existing plate in the text.

If you have any questions please call me at (801) 561-1555.

Sincerely yours,

*Vicky S. Bailey*
