Subject: Extension of Notice of Violation No. N97-45-1-1

Dear Bob,

*ACT/007/020 NOV file*

The date specified in Notice of Violation No. N97-45-1-1 needs to be extended. As per a review by Pam Grubaugh-Littig the submittal made on November 3, 1997 has been determined to be incomplete. A meeting has been set for Monday November 10, 1997 to determine what is required to meet your completeness requirements. Horizon requests the completion date be extended to December 15, 1997.

Sincerely,

A handwritten signature in cursive script that reads "Vicky".
