“BONDED AREA” Exhibit “A”
“BONDING AGREEMENT” Exhibit “B”
“LIABILITY INSURANCE” Exhibit “C”

WHEREAS, on October 10, 1996, the Division issued Permit No. ACT/007/020 to Horizon Coal Corporation to engage in certain specified coal mining and reclamation operations (previously defined as the “Permit”); and

WHEREAS, on _____, 19____, the Division approved the Permit Transfer Application (previously defined as the "PTA") submitted by Permittee; and

WHEREAS, prior to the transfer of the permit to conduct mining and reclamation operations on the property described in the Permit, the Permittee is obligated by law, to file with the Division a bond ensuring the performance of the reclamation obligations in the manner and by the standards set forth by law; and

WHEREAS, the Permittee is ready and willing to file the Bond in the amount and in a form acceptable to the Division and to perform all obligations imposed by the Division pursuant to applicable laws under the Permit; and

WHEREAS, the Division is ready and willing to transfer the Permit to the Permittee upon acceptance and approval of the Bond.

NOW, THEREFORE, the Division and the Permittee agree as follows:

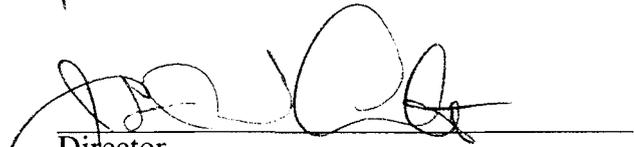

1. The provisions of SMCRA, the Act and the Regulations are incorporated by reference herein and hereby made a part of this Agreement. Provisions of the Act or Regulations shall supersede conflicting provisions of this Agreement.
2. The Permittee agrees to comply with all terms and provisions of this Agreement, the Permit (which is based upon the approved Permit Application Package), the Act and the Regulations, including the reclamation of all areas disturbed by surface coal mining and reclamation operations, despite the eventuality that the costs of actual reclamation exceeds the Bond Amount.
3. The Permit Application Package includes a legal description of the Permit Area, including the number of acres approved by the Division to be disturbed by surface mining and reclamation operations during the permit period. For convenience a copy of the description of the Permit Area is attached as Exhibit "A", and is incorporated by reference.
4. The Permittee agrees to provide a Bond to the Division and OSM in the form and amount acceptable to the Division ensuring the timely performance of the reclamation obligations in the manner and by the standards set forth in this Agreement, the Permit, the Act and the Regulations. The Bond is attached as Exhibit "B" and is incorporated by reference.
5. The Permittee agrees to maintain in full force and effect the public liability insurance policy submitted as part of the Permit application and which is described in the attached Exhibit "C." The Division and OSM shall be listed as an additional insured on this policy.
6. In the event that the Permit Area and/or the Disturbed Area is increased through expansion of the coal mining and reclamation operations or decreased through partial reclamation, the Division shall adjust the Bond as appropriate in accordance with applicable law.
7. The Permittee does hereby agree to indemnify and hold harmless the State of Utah and the Division, and their respective employees and agents, from any

claim, demand, liability, cost, charge or suit initiated by a third party as a result of the Permittee or Permittee's agents' or employees' failure to abide by the terms and conditions of the approved Permit (which is based upon the approved Permit Application Package) and this Agreement. In the event the Cooperative Agreement is terminated, this paragraph will inure to the benefit of OSM with respect to Non-Federal lands, and otherwise to the benefit of the Division.

8. The terms and conditions of this Agreement are non-cancelable until such times as the Permittee has satisfactorily, as determined by the Division, reclaimed the Disturbed Area in accordance with this Agreement, the approved Permit (which is based upon the approved Permit Application Package), the Act and the Regulations. Notwithstanding the above, the Division may direct, or the Permittee may request and the Division may approve a written modification to this Agreement in accordance with applicable law.
9. The Permittee may, at any time, submit a request to the Division to substitute the bonding method. The Division may approve the substitution if the new Bond form meets the requirements of the Act and the Regulations, but no Bond shall be released until the Division has approved and accepted the replacement Bond.
10. This Agreement shall be governed and construed in accordance with the laws of the State of Utah. The Permittee shall be liable for all reasonable costs incurred by the Division to enforce this Agreement.
11. Any breach of the provisions of this Agreement, the Act, the Regulations or the Permit (which is based upon the approved Permit Application Package) may, at the discretion of the Division, result in enforcement actions by the Division which include, but are not limited to, an order to cease coal mining and reclamation operations, revocation of the Permittee's Permit and forfeiture of the Bond.
12. In the event of forfeiture of the Bond, the Permittee agrees to be liable for additional costs in excess of the Bond Amount which may be incurred by the Division in order to comply with the Permit (which is based upon the approved Permit Application Package), the Act and the Regulations: Any excess monies resulting from the forfeiture of the Bond, upon compliance with this Agreement, shall be refunded as directed by the Permittee or, if a dispute arises, as directed by a court of competent jurisdiction by interpleading the funds subject to the dispute.
13. No delay on the part of the Division in exercising any right, power or privilege, under the Permit, the Bonding Agreement (Exhibit "B") and/or this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege thereof preclude other or further exercise of any right, power or privilege. The provisions of this Agreement are severable, and if any provision of this Agreement, or the application of any provision of this Agreement, to any circumstances is held invalid, the application of such provision to other circumstances and the remainder of this Agreement shall not be affected thereby.

SO AGREED this 11th day of July, 1997.
