

0016

August 31, 1998

TO: Utah DEQ - DWQ, DOGM, and United States EPA Region VIII

FROM: Horizon Mining, LLC. - Vicky Bailey, EarthFax Engineering

Due to circumstances beyond our control, laboratory data for Discharge Number 001A has not yet been received from the Commercial Testing and Engineering. The sample was delivered to the lab on 7/13/98. A copy of the chain-of-custody form has been included with this letter. The field measurements have been included on the enclosed form, a revised form will be submitted once the analysis have been received.
