Re: Waste Rock, Horizon Mining, LLC, Horizon Mine, ACT/007/020-98E, File #3, Carbon County, Utah

Dear Mr. Jones:

Your current reclamation cost estimate for the Horizon facility does not cover the waste rock material presently stored at the mine, nor is there a permitted waste rock storage facility at the mine. Therefore, the following adjustments are required to your mining and reclamation plan and the mine site.

- The reclamation cost estimate needs to be increased to cover the haulage costs of the material by no later than December 8, 1998..
- The material needs to be removed from the site by no later than February 1, 1999.

If you have any questions, please call.

Sincerely,

A handwritten signature in cursive script that reads "Joseph C. Helfrich".
