Re: Abatement Plans for Cessation Order C98-26-1-1, Horizon Mining, LLC, Horizon Mine, ACT/007/020-98C, File #2, Carbon County, Utah

Dear Ms. Dragoo:

Please submit five (5) complete clean copies of the referenced amendment with the following corrections:

*Appendix 8-1, the Topsoil Stockpile Table needs to be revised by deleting the projected 660 cubic yard topsoil volume from the table, as the actual volume has been included. Since the actual volume of topsoil has been recovered, the approximate thickness of topsoil should also be revised as depicted on page 8-25, section 8.8, paragraph 2. The location of the 125' PVC pipe should be depicted on either a final drainage control surface facilities or reclamation map.*

If you have any questions, please call.

Sincerely,

Joseph C. Helfrich  
 Permit Supervisor
