Dear Daron,

Per our conversation, I am requesting an extension to address the technical analyzes and findings document pertaining to the Midterm Review of the Horizon M&RP. Due to continuing efforts required to facilitate the sale of the mine, the preparation of this submittal has been delayed. In addition we have had difficulty securing qualified personnel to perform several of the studies. Therefore I am requesting an extension to August 2, 1999. I would appreciate your assistance in this matter.

As of last evening the legal firm representing Lodestar Energy assumed the sale would be completed by July 12, 1999.

If you have any questions please contact me at (435) 472-0884.

Sincerely yours,

Vicky S. Miller
