Dear Mr. Haddock:

Lodestar Energy, Inc - Horizon Mine appreciates your courtesy in extending the due date for the Midterm Review amendment, however we need to request another extension due to the reorganization of the mining operation. The sale was delayed and all the information has not been centralized which makes it difficult to address the deficiencies.

At a meeting held today with our company and Earthfax representatives, it was determined to request an extension to September 3, 1999 for organization of the data and submittal of the Midterm amendment. Your assistance in this matter would be greatly appreciated.

We apologize for any inconvenience this may cause you or your staff.

Sincerely,

A handwritten signature in cursive script that reads "David B. Miller".
