RE: Submittal to address Deficiencies in Division Order 99B
Horizon Mine, ACT/007/020-DO99B

Per a request by David Miller of Lodestar Energy, please find attached two copies of the amendment to address deficiencies in the Division Order submittal. One copy of the amendment is being delivered to the Price Field Office.

This submittal should address all the deficiencies except the NOI for the revised Air Quality Permit. The modeling is currently being done for the permit and the permit package should be delivered to the Division of Air Quality by the end of January. Hopefully, all the issues will be addressed in this package and the revised Air Quality Permit will be issued by the middle of March.

Should you have any questions concerning this submittal, please contact me at (435) 472-0884.

Sincerely yours,

Vicky S. Miller
