Dear Pam:

Lodestar Energy, Inc. respectfully submits the August 2000 - Discharge Monitoring Reports (DMRs) associated with the Horizon Mine UPDES Permit UTG040019. CTE has been notified about the problem and they assured me they would either mail the results directly to me or fax it as soon as the data was available.

If you have any questions, please feel free to call me at 435-448-9455.

Sincerely,

A handwritten signature in cursive script that reads "David B. Miller".
