Re: Transmittal of Significant Revision (Beaver Creek Lease Tract), Lodestar Energy Inc., Horizon Mine, ACT/007/020-SR00B, Oremville

Dear Messrs. Wilcox and Manus:

The Division has received an application for a significant revision to the Horizon Mine which proposes to add 393 acres of federal lease UTU 74804 to the existing permit. The application has been determined to be administratively complete and a copy is being forwarded to your office for your review and comment. We are currently conducting a technical review of the revised plans and hope to have this review completed around December 8, 2000. Please provide any comments to our office by this date.

If you have any questions, please call me at (801) 538-5325.

Sincerely,

for Daron R. Haddock
Permit Supervisor
