Re: Beaver Creek Tract, Lodestar Energy, Inc., Horizon Mine, C7007/020-SR00B, Outgoing File

Dear Mr. Dykman:

The Division of Oil, Gas and Mining has received a proposal from Lodestar Energy, Inc., to add 393 acres of federal lease UTU-74804 to its permit area for the Horizon Mine. There would be no additional surface disturbance. The environmental assessment states the lease area contains no public parks, cemeteries, archaeological sites, units of the National System of Trails, or units of the Wild and Scenic Rivers System.

We are currently reviewing the plan and request your comments/concurrence by November 30, 2000. If you have any questions on this plan change or need further information, please call me at (801) 538-5325, or Paul Baker at (801) 538-5261.

Sincerely,
