Re: Reclamation Cost Estimate Adjustment, Lodestar Energy Inc, Horizon Mine, C/007/020-AM01B, Outgoing File

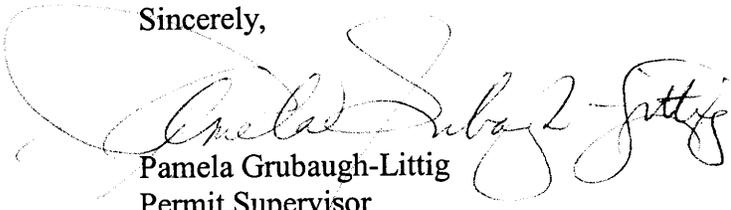

Dear Mr. Miller:

The Division has reviewed the information that you recently submitted to the Division that included revised earthwork costs, which included a 50% reduction in the volume of material to be used and equipment that is more productive. The reclamation cost estimate, therefore, is revised from the current amount of \$711,000 to \$342,000 (2006 dollars). You may revise your bond to the \$342,000 amount at this time.

Please provide five clean copies of the revised bond estimate with C1, C2 forms by October 22, 2001.

If you have any questions, please feel free to call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
