**Re: Horizon Mine Mining and Reclamation Plan of Hidden Splendor Resources, Inc.**

Dear Ms. Grubaugh-Littig:

The purpose of this letter is to request an extension of time for the filing of the above captioned document. It is my understanding that Hidden Splendor's Mining and Reclamation Plan is due in your office on or before September 15, 2003. Unfortunately, we have experienced significant delays in reproducing some of the maps which are necessary as part of the required submission. Specifically, while we had thought all of the maps were in electronic form and would be rather easy to reproduce, some of the required maps we have are not in an electronic form and it is taking us a lot longer to make the necessary changes than anticipated. Accordingly, Hidden Splendor requests an additional thirty (30) days to make its submission in this regard.

Please feel free to contact me if you require further information. Thank you for your review.

Sincerely,

Alexander H. Walker III  
Vice President Hidden Splendor Resources, Inc.
