Permit Boundary Expansion Application
Task ID #1933

Dear Pam:

Hidden Splendor Resources respectfully requests an extension of the December 13, 2004 deadline as referenced in your September 21, 2004 letter. This request is necessary due to information from outside agencies that we have not yet received, including information from the BLM and DWR as required in the Technical Analysis.

It is our desire to have this submittal as complete and error free as possible. Therefore, we request that the deadline be extended to January 14, 2005 to accomplish this.

Thank you for your cooperation in this matter.

If you have any questions or comments, please feel free to contact me at 435-472-0431.

Sincerely,

Kit Pappas
