Kit,

I have uploaded all of the information for Horizon from the pipeline into the database. A report is attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing the following samples:

SP-4, March UPDES.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.

Dana, the 1st quarter water monitoring data for the Horizon Mine has been entered in the system. As you will see, all sites were inaccessible due to snow cover.

Thanks, Kit
