Kit,

Thanks for getting SP-4 in so quickly. I have now uploaded it. Don't worry about the March UPDES, you have plenty of time. I just like to let people know what samples the database has marked as still missing, even when they still have almost 3 months to get it in.

Thanks,  
Dana

Hi Dana, Sorry about the omission of SP-4. I guess I just missed it.  
With regards to March UPDES, I haven't received the analysis yet, so I will post it as soon as I get it. SP-4 has been added to the database.

Thanks, Kit
