Kit,

I have uploaded all of the information for the Horizon Mine from the pipeline into the permanent database. A report is attached.

It looks like you have included all required samples and parameters for the 3rd and 4th quarters of 2005, except the November and December UPDES data, which you may submit when it is available.

Please let me know if you have any questions.

Thank you,

Dana, all of the data for the 4th Quarter Water Monitoring at the Horizon Mine as well as the October 2005 UPDES data has been entered in the system.

Thanks, Kit
