Subject: Conditional Approval of Paved Areas, Task ID #2922, Hidden Splendor Resources, Inc., Horizon Mine, C/007/0020, Outgoing

Dear Mr. Baker:

The Division has reviewed your application and plans to pave the access road and part of the facilities area at the Horizon Mine. The plans as submitted are complete except for Plates 3-1 and 3-4 exhibiting an engineer's signed stamped certification.

The plans are conditionally approved pending receipt of six complete clean copies including the Plates with the engineer's signed stamped certification. Please submit these copies by April 30, 2008. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. A copy of our Technical Analysis is enclosed.

If you have any questions, please call me at (801) 538-5262 or Dave Darby at (801) 538-8341.

Sincerely,

James D. Smith  
Permit Supervisor
