Subject: Horizon Mine, Replacement Pages Chapter 2

Hello Kit,

During the mid-term review, Priscilla requested that an updated listing of Officers & Directors be submitted. I received 3 copies of this update along with the C1 & C2 forms. However, we also need a cover letter from you.

You can either email to me, fax a copy to (801)359-3940 or mail us a copy.

I will hold the updated pages until the cover letter is received.

Thanks!
Suzanne
