**Bond Increase Required**

Pursuant to the decision dated January 31, 2007, a \$136,000 coal lease bond No. F18931 with Hidden Splendor Resources, Inc., as principal, and Acstar Insurance Company, as surety, was accepted by this office to cover Federal coal lease UTU-74804.

Regulations at 43 CFR 3474.2 allow for the amount of any bond to be increased/decreased when additional/less coverage is determined to be appropriate. The Utah State Office, in conjunction with the Price Field Office, is requiring that your bond for coal lease UTU-74804 be increased by \$264,000 based on the anticipated monthly production and three months royalty production requirements for this lease.

This bond amount may be provided by increasing the present bond by \$264,000, by submitting an additional new bond in the amount of \$264,000 or by submitting an entirely new bond for the whole bond amount of \$400,000. Enclosed are forms for submitting a new surety bond or a new treasury note or cash in lieu of bond. If you do not agree with the bond amount, you must submit written justification to this office clarifying your position for a lesser bond amount.

A compliance period of 30 days from the receipt of this decision will be allowed to submit the above bond.
