Re: **Denied-** Modification to the Resource Recovery and Protection Plan (R2P2) Mine Map, Estimate of Recoverable Reserves, Horizon Mine

Dear Mr. Pappas:

The Bureau of Land Management has determined the July 11, 2011 R2P2 Mine Map and the April 26, 2011 Recoverable Reserve Estimate submitted by Hidden Splendor Resources are not acceptable. To be in compliance with Federal Regulations 43 CFR 3480 Sect. 3481.1, b., please submit a revised Mine Plan (Longwall Mining method) that matches your recoverable reserve estimate OR submit a new Recoverable Reserve Estimate that is based on your submitted R2P2 Mine Plan (Room and Pillar method). Recoverable Reserve Estimates must be based on the submitted R2P2 Mine Plan.

If you have any questions, please contact Vaughn Hughes of my staff at (435) 636-3626.

Sincerely,

ACTING FOR
