Certified Mail – Return Receipt Requested

Dear Mr. Haddock:

Wild West Equipment & Hauling, LLC received your above referenced letter and Notice of Violation and wishes to clarify some issues:

I have never been involved with, associated with, or an Officer of Bronco Coal Company, which was the company that originally drilled the Columbia Exploration Well (MW-1).

I have not been an Officer of, or associated with America West Resources, Inc. since June of 2012, and was never an Officer of Hidden Splendor Resources, Inc.

The option to purchase the Columbia Property between America West Resources, Inc. and C & P Coal Associates, LLC was terminated June 6, 2011, resulting in C & P Coal Associates, LLC becoming the responsible party for the aforementioned exploration well.

Therefore, I respectfully request that my name and company (Dan R. Baker, Wild West Equipment and Hauling, LLC.) be removed from any current or future references, Violations, or correspondence pertaining to the Columbia Exploration Well (MW-1), Bronco Coal Company, America West Resources, Inc., Hidden Splendor Resources, Inc., or C & P Coal Associates, LLC.

If you have any questions or wish to discuss this matter further, please feel free to call at 435-421-9046.

Sincerely,

Dan R. Baker
Vice President & General Manager
