Re: Citation No. 19150, Horizon Mine, C/007/0020

Dear Ms. Reinhart:

This will acknowledge receipt of the notice of termination of the above captioned citation. While I certainly appreciate the fact that the citation has been terminated, given the fact citation number 12146 covered the violation in question in 2014, it would appear that citation number 19150 was duplicative and should not have been issued. Accordingly, it appears that the appropriate action in this regard would be that the citation be vacated rather than terminated. Please let me know if you agree and if you do will you please issue a notice indicating that the citation has been vacated.

I am happy to discuss the matter with you if you would like.

Sincerely,

Alexander H. Walker III
Officer
