PREJUDICE**

Docket No. 2014-037

Cause No. ACT/007/020 (04)

MOTION

The Division of Oil, Gas and Mining (“**Division**”), through its counsel hereby moves the Board of Oil, Gas and Mining (“**Board**”) to grant leave for the Division to Withdraw the Notice of Agency Action filed in this matter provided such withdrawal shall be without prejudice to the

rights of the Division at some later date to file a Notice of Agency Action based on the same facts and seeking the same general relief. The Respondent has indicated to the Division through its counsel that it has no objection to this motion.

The hearing of the above entitled matter was continued from the February 25, 2015 Board Hearing until its hearings scheduled for March 25, 2015. This was the third continuance that had been requested as the parties sought to resolve the matter. The Division has determined that the matter is not ready for resolution by the Board at this time, but that rather than seek further continuances of the hearing, that the Division will file another NOAA at such time as the Division deems it appropriate and necessary.

Respectfully submitted this 20th day of April, 2015.

Steven F. Alder .
Assistant Utah Attorney General
*Attorney for the Division of Oil,
Gas and Mining*

ORDER

Upon Motion of the Division and for good cause appearing therefrom, the Board hereby Grants the Division Leave to Withdraw the NOAA without prejudice, allowing the Division to file a subsequent NOAA based on the same facts except as modified seeking among other things the same relief.
