Dear Ron,

Please find enclosed a copy of the decision by the State
Historic Preservation Officer regarding the proposed operations.

The Blazon No. 1 is apparently cleared by that office.

Please check and follow up on our review. Time is getting
short for the culvert work to be done this fall.

We appreciate anything you can do for the project.

Sincerely,

Joseph A. Harvey

RE: Mining Permits: Sec. 17, T 13 S, R 8 E & Sec. 4, T 14 S, R 7 E, Carbon Co.

Dear Chairperson:

On the basis of staff review and recommendation, the State Historic Preservation Officer has determined that although a known site(s) exists in the project area, the proposed project will have no known effect on any recognized or potential National Register historical, archeological, or cultural site(s). Please be advised, however, that should artifacts or cultural objects be discovered during the construction stage, it is the responsibility of the Federal agency or community receiving block grant funds to notify this office immediately as provided for in the Utah State Antiquities Act of 1973 and Public Law 93-291.

Should you need assistance or clarification, please call James L. Dykman, Preservation Archeologist, or Wilson G. Martin, Preservation Development Coordinator, Utah State Historical Society, 307 West 200 South, Salt Lake City, Utah 84101, 533-6017.

Sincerely,

Melvin T. Smith
Director and
State Historic Preservation Officer
