Re: Review of Blazon #1  
Mining and Reclamation Plans  
ACT/007/021

Dear Don:

Enclosed are three (3) copies of the Mining and Reclamation Plans submitted to the Division for Blazon Mining Company.

The proposed mine is located on fee land as shown in the permit application. The Division would be interested in having O.S.M.'s comments by June 4, 1979 so that a meeting could be held with Blazon Company representatives to ask questions and discuss those areas for which additional information is needed. The Mining and Reclamation Plan will be reviewed for interim compliance. If you have any questions, please contact the Division.

Sincerely,

  
THOMAS J. SUCHOSKI  
RECLAMATION HYDROLOGIST
