Re: BLAZON No.1 Mine
Act/007/021

Dear Mr. Smith,

Having reviewed the proposed assessment for three separate notices of violation issued by your offices, we wish to request a hearing.

We are particularly concerned regarding violation No.1 of 3 and propose that we be granted a variance from the Division.

The necessary studies have been made and submitted establishing the needed evidence for a long term static safety factor in excess of 1.5.

An opportunity to express our views and valid reason for the occurrence of the violations would be appreciated.

Sincerely,

Joseph A. Harvey
