Blazon #1 Mine
ACT/007/021

A visit was made to this mine site for purposes of wildlife consultation by Mary Ann Wright of the Division and Mr. Clark Johnson of the U.S. Fish and Wildlife Service along with Mr. Larry Dalton of the Utah Division of Wildlife Resources. The site was covered heavily with snow and it was approached on foot from the dump at Clear Creek. No company representatives were on hand at this site and no comments were made by either Mr. Johnson or Mr. Dalton.
