Memo to Coal File:

RE: Blazon #1  
ACT/007/021  
Carbon County, Utah

The portal areas and loadout facility for the Blazon Mine were inspected on Thursday, March 12, 1981, by Tom Portle and Joe Helfrich from the Division. State employees were accompanied by Joe Harvey, president of the Blazon Company. During the partial inspection, State employees were acquainted with the nearly completed loadout facility of the Blazon Mine. Mr. Harvey was informed that the Division had not made a policy decision concerning enforcement provisions for loadouts. Mr. Harvey indicated that the Blazon #1 Mine would be operational within the next two months. No violations were issued.
