Dear Ms. Linner:

The Utah Preservation Office has received for consideration your letter of August 28, 1984, requesting clarification and comments on the three referenced mines.

After review of the material provided by the Division of Oil, Gas & Mining concerning the extent and nature of the mining operation, our office would advise the Division of Oil, Gas & Mining that a determination of no adverse effect is appropriate for each of the mines. Our office also has no further information concerning the mines than what we have provided in the review period.

Since no formal consultation request concerning eligibility, effect or mitigation as outlined by 36 CFR 800 was indicated by you, this letter represents a response for information concerning location of cultural resources. If you have any questions or concerns, please contact me at 533-7039.

Sincerely,

James L. Dykman
