Dear Dave:

Thank you for your call on June 24, 1986 regarding the Reclamation Plan submittal by North American Equities. Although we were not aware of your concerns in regard to the organizational concept of the submitted plan, you can be assured that we will work to address all issues once we have received authorization to proceed from North American Equities.

We will be looking forward to receiving your comments. At that time, we will contact our client to set a timetable to respond.

If you have any further questions or concerns, please feel free to contact me.

Sincerely,

ACZ INC.
