Re: Submittal of Consolidated Final Closure on Reclamation Plan
Blazon No. 1 Mine
Carbon County, Utah

Dear Lowell:

Attached please find an approvable, consolidated final closure and reclamation plan for the Blazon No. 1 Mine.

We have revised the text to consolidate and include the various changes and additions made to the plan during 1985. As appropriate, we have cross-referenced discussion in exhibits attached in Volume 2. The exhibits found in Volume 2 represent the various correspondence that was transmitted to your office by North American Equities.

Also included in Volume 2 are appropriate maps that were submitted to your office in 1985. We have also updated and provided new maps, as appropriate, for Volume 1.

We trust that you now have all the information and data necessary for our final closure and reclamation plan for the Blazon No. 1 Mine. Therefore, we want you to initiate steps to refund portions of the North American Equities Reclamation Bond as per our previous correspondence and communication.

Thank you for your attention to this matter. If you have any questions, please contact me.

Sincerely,

NORTH AMERICAN EQUITIES NV
