Re: DOGM Response to Ten-Day Notice No. 87-2-116-5, North
American Equities, ~~Blazon~~ No. 1 Mine, INA/007/021

Dear Dr. Nielson:

The Albuquerque Field Office (AFO), Office of Surface Mining
Reclamation and Enforcement (OSMRE), has reviewed the
above-noted TDN response. The response, issuance of
N87-15-1-1, will be considered initially appropriate.

The Notice of Violation will be tracked through the
appropriate associated procedural requirements, and the
abatement will be maintained as part of your response to the
Ten-Day Notice.

Please address any questions concerning this action to
Stephen Rathbun at (505) 766-1486.

Sincerely,

Robert H. Hagen, Director
Albuquerque Field Office
