Pam,  
 we discussed this  
 in the I & E mty today.  
 For those 2 and in the future  
 here is how we will  
 proceed.

I will operator and  
 find out if coverage has  
 been renewed. In any  
 case inform operator that  
 a current certificate of  
 insurance will need to  
 be on file by time of  
 next inspection.

I will provide information  
 on the insurance.

The inspector can then  
 follow up as required  
 during the next inspection
