Dear Mr. White:

Re: Conditional Approval, PAP Amendment, Changes to
Revegetation Plan, North American Equities, Blazon #1 Mine,
ACT/007/021-88(B), Folder #2, Carbon County, Utah

The Division has completed review of your company's submittal received October 11, 1988. The plans were reviewed by Lynn Kunzler of the Division's technical staff. Written commitment to the following conditions prior to the initiation of revegetation will consummate final approval: The hydroseeder must be thoroughly cleaned prior to use at the Blazon #1 mine. Either Brent Stettler or myself must be notified 48 hours prior to the initiation of hydroseeding activities.

If you have any questions, please call Lynn Kunzler, Brent Stettler, or me.

Sincerely,

Susan C. Linner
Reclamation Biologist/
Permit Supervisor
