Re: Reclamation Bond, Blazon #1 Mine, INA/007/021,  
Carbon County, Utah

Dear Ms. Linner:

Pursuant to our meeting with Division representatives on September 15, 1989, and in response to your letter of September 21, 1989, North American Equities, Ltd. ("NAE") hereby submits its amended request for partial release of its reclamation performance bond for the Blazon #1 Mine. NAE seeks Phase I partial release of the bond in the amount of \$10,400.00 as approved by your September 21, 1989 letter.

By letter dated July 21, 1989, NAE submitted the information required by the regulations for bond release, including a description of the release area, a description of the completed reclamation activities, a list of the owners, agencies and authorities to whom notice of release will be sent together with a copy of the proposed notice letter, a description of the documents, reports and designs submitted to the Division by Earthfax Engineering on behalf of NAE, and a copy of the proposed newspaper advertisement requesting partial release. A copy of our July 21, 1989, letter is attached for your review and information.

NAE has received the Division's approval of the proposed notice letter and the proposed newspaper advertisement. Accordingly, the notice letters have been sent with today's date and the newspaper advertisement is being placed for publication in the Sun Advocate beginning on

Tuesday, October 3, 1989, and will be published once a week for four successive weeks. Photocopies of the notice letters and the newspaper advertisement will be provided to the Division.

NAE understands that the Division will conduct the required inspection and evaluation of the Blazon No. 1 reclamation site on October 3, 1989. NAE will be represented by Carol Bjork of Earthfax Engineering

If you have any questions relating to any matter treated in this request, please contact me.

Very truly yours,
