Re: Reclamation of Blazon #1 Mine

Dear Lowell:

Enclosed please find five photocopies of North American Equities' revised "Reclamation As-Built Report for Blazon No. 1 Mine" dated May 10, 1989, and prepared by Earthfax Engineering, Inc. The As-Built Reports are being submitted pursuant and in response to the Division's comments to NAE's original submission. Earthfax has included filing instructions with the submissions. Earthfax has also spoken with Randy Harden concerning the submission of supplemental drawings within the next few days.

Please contact Rich White or Carol Bjork at Earthfax or the undersigned with your questions.

Very truly yours,

William B. Prince
