Mr. William B. Prince  
 HOLME, ROBERTS & OWEN  
 Suite 900  
 50 South Main Street  
 Salt Lake City, UT 84144

Dear Mr. Prince:

RE: Reclamation Bond, Blazon #1 Mine, INA/007/021, Folder #2 & #4,  
Carbon County, Utah

The Division has received your application for Phase I Bond Release for permit No. ACT/007/021. The application includes the as-built report for the completion of Phase I activities and copies of letters providing notice of intent to seek bond release. No outstanding enforcement actions relating to reclamation requirements were found on this site.

Proof of publication of the newspaper notice required by UMC 800.40 received by the Division within thirty (30) days of your application submittal and mailing of the letters of intent to seek bond release within that same period will complete the requirements of the application.

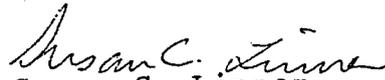

In conjunction with the bond release application, the Division has tentatively scheduled the inspection for bond release at the mine site to be on October 3, 1989 at 11:00 am.

The amount of bond to be released has been tentatively estimated by the Division to be \$10,400.00, of the current bond amount of \$48,400.00. Calculations showing how that bond amount was determined are attached. However, the Division reserves the right to adjust the bond amount, if circumstances change, during the processing of the bond release request.

Should you have further questions regarding this matter please  
feel free to call.

Sincerely,

  
Susan C. Linner  
Permit Supervisor

ACT/007/021 - BLAZON NO. 1 MINE

PHASE I BOND RELEASE CALCULATIONS - 9/18/19 - JRH

Reclamation costs as presented in the Reclamation Plan:

AMOUNT	DESCRIPTION
\$15,500.00	Annual Monitoring for revegetation success for 5 years
\$7,000.00	Semi-Annual Monitoring of water in Mud Creek for 5 years
\$12,500.00	Quarterly sediment pond inspections for 5 years
\$5,000.00	Annual site maintenance for 5 years
\$9,625.00	Revegetation costs - 2.75 acres based on total replacement.
<hr/>	
\$49,625.00	Total (Costs are as provided in plan by EarthFax)

Summary of Division calculations for bond release:\*

AMOUNT	DESCRIPTION
\$12,400.00	Annual Monitoring for revegetation success for 4 years
\$5,600.00	Semi-Annual Monitoring of water in Mud Creek for 4 years
\$10,000.00	Quarterly sediment pond inspections for 4 years
\$4,000.00	Annual site maintenance for 4 years
\$5,775.00	Revegetation costs - 2.75 acres based on 60% of replacement.
<hr/>	
\$37,775.00	Sub-Total (Costs adjusted by Division for remaining 4 years)
<hr/>	
\$38,000.00	Bond amount required (rounded to the nearest \$1,000)
\$48,400.00	Current Bond amount
\$10,400.00	Bond amount available for release.....

\*Division cost estimate assumes that the first year of monitoring and maintenance will have occurred at the time of bond release. Costs for revegetation are based on 60% of total replacement cost for the site.
