Dear Mr. Prince:

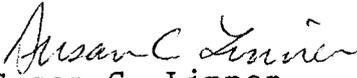

RE: Site Review, Blazon #1 Mine, ACT/007/021, Folder #2,
Carbon County, Utah

As per our discussions, a schedule of pending reclamation work including a tentative schedule for mitigation of the slide area at the Blazon #1 Mine is due on May 10, 1989. A site visit is scheduled for the technical staff reviewing this operation on May 12, 1989.

Division staff should arrive on the site at approximately 11:00 am should you or your consultants wish to attend or coordinate discussion of those proposals on site at that time.

Should you have any questions, do not hesitate to call.

Sincerely,

Susan C. Linner
Reclamation Biologist/
Permit Supervisor
