Re: Blazon Minesite Visit, TDN 89-02-116-2

Dear Dr. Nielson:

Due to scheduling conflicts, OSM Deputy Director Hord Tipton and Assistant Director Brent Wahlquist will not be able to visit the Blazon minesite with you as planned prior to April 30, 1990.

OSM is, therefore, extending the 90-day suspension of action on the subject TDN granted on February 7, 1990, to June 15, 1990. This extension should allow time to re-schedule the visit.

Sincerely,

Robert H. Hagen
Robert H. Hagen, Director
Albuquerque Field Office
