Dear Dr. Nielson:

As agreed upon at our meeting in Salt Lake City on February 1, 1990, the Office of Surface Mining Reclamation and Enforcement (OSM) will suspend further action regarding the inappropriate finding for Ten-Day Notice 89-02-116-2 issued on the Blazon Mine for a period of 90 days. This should be an adequate amount of time to allow Utah's Board of Oil, Gas and Mining to hold the proposed hearing concerning Blazon's bond release application and to allow me to visit the site with you as you have requested.

Sincerely,

W. Hord Tipson, Deputy Director
Operations and Technical Services
